Anil Pal

Software Developer – Full Stack Developer

anilcodes01@gmail.com | Twitter | LinkedIn | GitHub

INTRODUCTION

I am Anil, a self-taught full-stack developer skilled in building intuitive, scalable web applications. With expertise in Next.js, React, TypeScript, and backend technologies, I specialize in creating user-focused solutions from concept to deployment. Passionate about problem-solving and continuously learning, I aim to deliver impactful, value-driven results.

Courses: Web Dev + DevOps Cohort by Harkirat Singh (100xDevs)
